Friday 9/29 will be the last week of this shortened season, and we have elected to give all teams 2 more games instead of a playoff since we have only played half of the games. We are not able to make up the two rain outs and will be offering teams the option of a \$200 credit to apply to next season or a \$200 refund. Please check in to the pro shop to declare what option your team would like. The next Friday season will start on 11/17. Thank you
